HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2008.

EXECUTIVE ORDER

09-24

WHEREAS, patients throughout the State of Missouri receive exemplary medical care from Missouri hospitals and health care providers; and

WHEREAS, there are concerns that health insurance companies are not providing timely reimbursement to Missouri hospitals and health care providers for services provided to Missourians; and

WHEREAS, the failure of health insurance companies to make timely payments could significantly compromise the ability of Missouri hospitals and health care providers to provide quality medical care to Missourians; and

WHEREAS, the State of Missouri is committed to ensuring that Missouri hospitals and health care providers are promptly paid by health insurance companies for services provided and that Missourians continue to receive superior medical care.

NOW THEREFORE, I, JEREMIAH W. (JAY) NIXON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the constitution and laws of the State of Missouri do hereby create the Prompt Pay for a Healthy Missouri Project ("Project") to examine issues relating to the timely reimbursement of Missouri hospitals and health care providers by health insurance companies.

ATTEST:

Robin Carnahan
Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Chapter 27—David's Law Signing**

PROPOSED RULE

7 CSR 10-27.040 Administration

PURPOSE: This rule provides the procedure to administer David's Law authorizing drunk driving memorial signs.

(1) The commission will develop an application that will capture the information the applicant must submit to determine eligibility for a sign under 7 CSR 10-27.010–7 CSR 10-27.040. The commission will make the application readily available to the public in an easily accessible location, such as the commission's Internet site.

(2) Applicants must complete and submit an application to the commission. This application shall contain:

- (A) Name and contact information of the applicant;
- (B) The name of the victim;
- (C) Location of the crash—
 - 1. County;
 - 2. Route; and
 - 3. Direction;
- (D) Mile marker or distance from another state route;
- (E) Date of the crash; and
- (F) Name of at least one (1) of the vehicle operators involved in the crash.

(3) The commission shall be responsible for reviewing applications. The commission will use the information in the application as well as the other documentation required by this rule to determine if the application can be approved. The commission reserves the right to request additional information from the applicant if the circumstances of the crash are not clear.

(4) The applicant will also be responsible for providing the official accident report for the crash. If there is no accident report or if the report does not include details on intoxication, additional documentation must also be provided that clearly indicates the intoxication of the driver and verifies that the victim was not intoxicated. Such additional documentation may include, but is not limited to, medical records of the intoxicated driver, autopsy report, a coroner report, or any other document.

(5) The applicant is also responsible for submitting the fee for the sign along with the application, made payable to Department of Revenue—Credit State Road Fund. If the application is not approved, the entire fee will be returned to the applicant.

(6) Each sign will remain in place for a period of ten (10) years during which time the commission will maintain the sign in the event of damage or theft. At the end of the ten (10)-year period the sign will be removed unless renewed as provided in this rule.

(7) If applicants wish to keep the sign in place for an additional ten (10) years, the applicant is responsible for notifying the commission one (1) year in advance of the expiration of the ten (10)-year period and for remitting to the commission a renewal fee for the subsequent ten (10)-year period.

(8) Once signs are removed, they will remain the property of the commission and the sign blanks will be reused to make new signs.

(9) The fee for the sign shall represent the commission's cost to administer the program, manufacture, install, and maintain the sign

for a period of ten (10) years. This cost, as well as the ten (10)-year renewal fee, will be based on the commission's operating costs for the year in which the original request or renewal request is received by the commission.

(10) All commission determinations under this rule, including but not limited to, approval or disapproval of applications, the amount of the sign fee, and all other determinations are final and not subject to appeal.

TIMELINE CALCULATOR

The Administrative Rules Division is pleased to announce that a new tool is available on the SOS Administrative Rules web page to assist in calculating critical rulemaking dates. A timeline calculator is now available at www.sos.mo.gov/adrules/datecalc/default.aspx.

To use the timeline calculator, select the type of rulemaking you are doing using the drop-down menu—

- Proposed rulemaking;
- Order of rulemaking;
- Emergency rulemaking; or
- First day to file order with AdRules.

Use the built-in calendar to select your filing date, or type in your filing date using the mm/dd/yy format.

For proposed rulemaking, if you are having a hearing or an extended comment period, you may check the override thirty-day comment box and insert the date for the final day to submit comments or the date of the hearing, whichever is later.

For orders of rulemaking, if you have an effective date that is not the normal thirty days after publication, please check the override effective date and insert the correct effective date.

For emergency rulemaking, there are two override boxes available. The first override box is used to select an effective date that is later than ten days after the emergency rulemaking is filed. The second override box is used to choose an expiration date that is less than the one hundred eighty days or thirty legislative days.

To calculate the first day an order(s) may be filed with SOS, select the drop-down menu, then use the calendar to select the date, or manually enter the date, the order(s) was filed with JCAR.

If you have questions regarding the timeline calculator, please contact Administrative Rules at (573) 751-4015.
